

## DESIGN INTENT

- Provide a more inclusive, fun and challenging playspace for all ages and abilities, incorporating the following:
  - **Junior & Senior Play Areas and Swing Area**
  - **Nature Play** elements to existing embankment
- Playground Theming Opportunity - **Flora & Fauna / Environment**  
Theming involving play elements and artworks referencing the Flora & Fauna that once covered Jacka Park.

Feature garden beds to playground entry with plant selection inspired by Jacka Park's history.

New widened entry path (coloured concrete) with feature timber circular sitting deck / performance stage.

Renewal works to existing seat wall including new capping incorporating art tiles, power wash stonework and modify wall to provide a wider playground entrance & new swing area.

Future all ability access path connection between playground and amenities to replace existing (shown dashed) with new drinking station & bin enclosure.

New timber curved backed seat to playground edge.

**Junior Play Area** inclusive play elements inspired by 'Flora & Fauna' theme catering for 0-3 year age group. With possible access connections to play.

Incorporate Nature Play elements along the grass embankment such as; feature sandstone boulders & timber climbing logs.

**Senior Play Area**  
'Flora & fauna' inspired Play Tower with net climbing, sliding, & hanging activities catering for 4+ year age group.

New shade tree planting.

Future upgrade of existing park shelters including accessible picnic table settings.

**Swing Area** including 1 basket, 1 toddler & 1 high backed seat.

Retain existing grassed areas

Retain existing shade sail & posts.

Outline of existing playground footprint.

Retain existing Table Seat.

## LEGEND

-  Coloured concrete
-  Wetpour rubber softfall safety surfacing
-  Synthetic turf
