

## DESIGN INTENT

- Provide a more inclusive, fun and challenging play-space for all ages and abilities, incorporating the following:
  - **Junior & Senior Play Areas and Swing Area**
  - **Nature Play** elements to existing embankment
- **Playground Theming Opportunity - Flora & Fauna / Environment**  
Theming involving play elements and artworks referencing the Flora & Fauna that once covered Jacka Park:

Future all ability access path connection between playground and amenities to replace existing (shown dashed) with new drinking station & bin enclosure. (Future works by others).

New shade tree planting (Future works by others)

Future upgrade of existing park shelters including accessible picnic table settings (Future works by others).

## LEGEND

-  Coloured concrete with feature stencilling
-  Wetpour rubber softfall safety surfacing
-  Synthetic Turf surfacing
-  Mulched areas
-  Existing stormwater pits / pipes & easements
-  Existing sewer mains
-  No significant footings to be placed 1m from infrastructure

Feature garden beds to playground entry with plant selection inspired by Jacka Park's history. (Future works by others).

New widened entry path (2m wide, coloured concrete with flora inspired stencil pattern) with feature timber circular sitting deck / performance stage (surface fixed).

New concrete path. Raised 150mm and widened to 3m at entry. Tie into existing path at either end.

Renewal works to existing seat wall including power wash stonework and modify wall to provide a wider playground entrance

Retain existing grassed areas

**Junior Play Area** inclusive play elements inspired by 'Flora & Fauna' theme catering for 0-3 year age group. With possible access connections to play.

Retain existing backed seat

**Swing Area** including 1 basket, 1 toddler & 1 high backed seat.

Regrade turf areas to cater for playground footprint. Make good and tie into surrounding levels.

Incorporate Nature Play elements along the grass embankment such as; feature sandstone boulders & timber climbing logs.

**Senior Play Area**  
'Flora & fauna' inspired Play Tower with net climbing, sliding, & hanging activities catering for 4+ year age group.

Retain existing shade sail & posts.

Area for possible 'track ride' for dangling & sliding activities.

Outline of existing playground footprint. Make good and turf area to tie into existing levels.

Future new shade sail & post (shown dashed) (Future works by others).

Retain existing Table Seat.
