

Tania Park Playground Upgrade

As part of the 'Connecting All Through Play', Stage 1 works will commence Thursday 7 February and are due to be completed by April 2019. The playground will be closed during this time.

The upgrade will include:

- A new inclusive playspace which provides a range of equipment for children and their carers.
- A main entry that is safe and welcoming with adjacent accessible parking.
- Landscaped areas to enhance nature play.
- Equipment to include a double bay swing, hurricane swing, wheelchair accessible carousel, shipwreck themed multi-play unit, inclusive slide, talk-tubes, play-hut, balance logs, plus more!
