

Disability Inclusion Action Plan 2022-2026

Workshop in a Box

Host response template

Use this template to record your group's answers. If you need more space keep typing and the box will expand or add more paper.

Use this template alongside the Workshop in a Box Guide. The guide provides some further prompts for the questions.

Please send your completed responses:

Luca Chudleigh – Social Planner

Luca.chudleigh@northernbeaches.nsw.gov.au

1. What three words or phrases would you use to describe a community where you feel included?

2. Tell us a time when you felt a part of the Northern Beaches community

Things we want to know about include:

- A great customer service experience
- What messaging makes you feel included
- When you could access something you didn't feel you would be able to

3. Tell us a time when you didn't feel a part of the Northern Beaches community

Things we want to know about include:

- A bad customer service experience
- What messaging makes stops you feeling included
- When you couldn't access something you felt you would be able to

4. What three words or phrases would you use to describe a place where you have access to everything you need and want?

5. Tell us about a time where you could access a place or service you wanted or needed

6. Tell us about a time where you could not access a place or service you wanted or needed

7. What do the best employment opportunities look like to you?

8. How could Council provide and support employment opportunities for people living with disability?

9. Tell us if you have ever applied for a role with Council or considered applying for a role with Council

Things we want to know include:

- What encourage you or stopped you from applying for a job with Council?
- Were there barriers to applying?

10. What three words or phrases would you use to describe a place where you had access to all the information, services and things that you need?

11. Tell us about a time you had good access to a Council service or information

What made it good?

12. Tell us about a time you had bad access to a Council service or information

What made it bad?
