

ANANA RESERVE PLAYGROUND

Northern Beaches Council

Equipment descriptions on following page

Northern Beaches Council | Anana Reserve Playground Upgrade - Design TMP 2210-13A

Natural yet playful colours chosen to suit the natural surroundings and ensure cohesion across the site as a whole

Multiple points of entry and exit across the unit ensure there is no centralised traffic zone on the unit

Design is orientated and positioned to utilise the site's unique features, including views, existing vegetation, topography and passive surveillance

Concrete slabs to meet up with existing access gate to allow accessibility to furniture

Rubber wear pads provide connectivity to the path and in between activities, increasing accessibility
